Evans Quarries

Indiana Limestone (Variegated)
Safety Data Sheet
According to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012
/ Rules and Regulations
Date of issue: 09/05/2016

SECTION 1: Identification

1.1. Product identifier
Product form: Substance, Solid or Dust, Buff or Gray Variegated Color
Substance name: Buff Indiana Limestone, Calcite, Limestone, Calcium Carbonate
CAS No: 471-34-1 (Main Constituent)
Formula: CaCO3

1.2. Relevant identified uses of the substance
Use of the substance: Construction, building material. Limestone may be distributed in blocks, bulk shipments, as gravel or dust. No known restrictions.

1.3. Details of the supplier of the safety data sheet
Evans Limestone Quarry
981 Palestine Road
Bedford, IN 47421
Evans Limestone Office
PO Box 711
Bedford, IN 47421
812-279-3697 phone

1.4. Emergency telephone number
Emergency number: Evans Limestone Office: 812-279-3697

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture
GHS-US classification
Skin Irrit. 2  H316
Eye Irrit. 2B  H320
STOT SE 3  H335
Indiana Limestone is a naturally occurring substance, generally gray or buff in color with no distinct odor or taste. This product is a naturally occurring substance that is not classified as a hazard as a solid. Dust created during cutting or fabricating can incur mild skin, eye or respiratory tract irritation hazards. Indiana Limestone dust is considered a nuisance dust. Laboratory tests using the NIOSH 7500 Analytical Method determined Crystalline Silica was Non Detect for this product. This product is not classified as a carcinogen.

Inhalation: Inhaled dust may cause respiratory irritation.

2.2. Label elements
GHS-US labelling
Hazard pictograms (GHS-US):

Signal word (GHS-US): Warning
Hazard statements (GHS-US):
H316 - Causes mild skin irritation
H320 - Causes eye irritation
H335 - May cause respiratory irritation

Precautionary statements (GHS-US):
P261 - Avoid breathing dust
P264 - Wash exposed skin thoroughly after handling
P271 - Use only outdoors or in a well-ventilated area (when cutting)
P280 - Wear protective gloves, eye protection
P302+P352 - IF ON SKIN: Wash with plenty of soap and water.
P304+P340 - IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing
P305+P351+P338 - If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing
P312 - Call a POISON CENTER/doctor/physician if you feel unwell
P332+P313 - If skin irritation occurs: Get medical advice/attention
P337+P313 - If eye irritation persists: Get medical advice/attention

2.3. Other hazards
Other hazards: None under normal conditions.
Indiana Limestone (Variegated)
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

2.4. Unknown acute toxicity (GHS-US)
No data available

SECTION 3: Composition/information on ingredients

3.1. Substance
Substance type: Naturally occurring substance/solid

Any concentration shown as a range is due to process variation. There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence require reporting in this section. These materials are mined from the earth. Trace amounts of naturally occurring elements might be detected during chemical analysis of these materials. Full text of Hazard Statements shown in Section 2.

3.2. Mixtures
Not applicable

SECTION 4: First aid measures

4.1. Description of first aid measures
First-aid measures after inhalation: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER/doctor/physician if you feel unwell.
First-aid measures after skin contact: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention.
First-aid measures after eye contact: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

4.2. Most important symptoms and effects, both acute and delayed
Symptoms/injuries after inhalation: May cause respiratory irritation.
Symptoms/injuries after skin contact: Causes mild skin irritation.
Symptoms/injuries after eye contact: Causes eye irritation.

4.3. Indication of any immediate medical attention and special treatment needed
Obtain medical assistance.

SECTION 5: Firefighting measures

5.1. Extinguishing media
Suitable extinguishing media: Product is non-flammable.

5.2. Special hazards arising from the substance or mixture
No additional information available

5.3. Advice for firefighters
Firefighting instructions: Product is non-flammable. Contain fire nearby using appropriate media for fire source.
Protection during firefighting: Do not enter fire area without proper protective equipment, including respiratory protection.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures

6.1.1. For non-emergency personnel
Emergency procedures: Evacuate unnecessary personnel.

6.1.2. For emergency responders
Protective equipment: Equip cleanup crew with proper protection.

6.2. Environmental precautions
Dispose of waste according to local, state and federal regulations.
Indiana Limestone (Variegated)
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.3. Methods and material for containment and cleaning up
Methods for cleaning up: On land, sweep or shovel into suitable containers. Minimize generation of dust.

6.4. Reference to other sections
See Heading 8. Exposure controls and personal protection.

SECTION 7: Handling and storage

7.1. Precautions for safe handling
Precautions for safe handling: Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking. Use local exhaust or general ventilation or appropriate dust mask when cutting.

Hygiene measures: Wash exposed skin thoroughly after handling.

7.2. Conditions for safe storage, including any incompatibilities
Storage conditions: Stable. No special precautions.

Incompatible materials: Avoid contact with strong acids, Fluorine and oxidizers which may cause chemical reactions

7.3. Specific end use(s)
No additional information available

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

</tbody>
</table>

8.2. Exposure controls

Appropriate engineering controls: Emergency eye wash fountains should be available in the immediate vicinity of any potential exposure. When cutting, ensure adequate local ventilation or wear appropriate mask.

Personal protective equipment: Avoid all unnecessary exposure.

Hand protection: Wear protective gloves.

Eye protection: Chemical goggles or safety glasses

Skin and body protection: Wear suitable protective clothing.

Respiratory protection: Wear appropriate dust mask if exposed to concentrations of dust.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

| Physical state | Solid |
| Appearance     | Light grey or buff colored variegated stone. |
| Odor           | None to mild earthy odor |
| Odor threshold | No data available |
| pH             | No data available |
| Relative evaporation rate (butylacetate=1) | No data available |
| Melting point  | No data available |
| Freezing point | No data available |
| Boiling point  | None |
| Flash point    | None |
| Self-ignition temperature | No data available |
| Decomposition temperature | No data available |
| Flammability (solid, gas) | No data available |
| Vapor pressure | No data available |
| Relative vapor density at 20 °C | No data available |
| Relative density | No data available |

**9.2. Other information**

No additional information available

**SECTION 10: Stability and reactivity**

**10.1. Reactivity**

Avoid contact with acids. Avoid contact with fluorine.

**10.2. Chemical stability**

Stable under normal conditions.

**10.3. Possibility of hazardous reactions**

Reacts with acids and fluorine. Avoid contact with fluorine. Avoid contact with acids, especially strong acids.

**10.4. Conditions to avoid**

No additional information available.

**10.5. Incompatible materials**

Strong acids. Strong oxidizers.

**10.6. Hazardous decomposition products**

Carbon monoxide. Carbon dioxide.

**SECTION 11: Toxicological information**

**11.1. Information on toxicological effects**

Acute toxicity: Not classified

**Calcium Carbonate (Cas No)471-34-1**

<table>
<thead>
<tr>
<th>Effect</th>
<th>Classification</th>
</tr>
</thead>
<tbody>
<tr>
<td>LD50 oral rat</td>
<td>6450 mg/kg</td>

</tbody>
</table>

Skin corrosion/irritation: Causes skin irritation.

Serious eye damage/irritation: Causes eye irritation.

Respiratory or skin sensitization: Not classified

Germ cell mutagenicity: Not classified

Carcinogenicity: Not classified

Reproductive toxicity: Not classified

Specific target organ toxicity (single exposure): May cause respiratory irritation.

Specific target organ toxicity (repeated exposure): Not classified

Aspiration hazard: Not classified

Potential Adverse human health effects and symptoms: Based on available data, the classification criteria are not met.

Symptoms/injuries after inhalation: May cause respiratory irritation.

Symptoms/injuries after skin contact: Causes skin irritation.

Symptoms/injuries after eye contact: Causes eye irritation.

Likely routes of exposure: Inhalation; Skin and eye contact

**SECTION 12: Ecological information**

**12.1. Toxicity**

No additional information available
Indiana Limestone (Variegated)
Safety Data Sheet
according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

### 12.2. Persistence and degradability

**Calcium Carbonate (471-34-1)**

Persistence and degradability: Not established.

### 12.3. Bioaccumulative potential

**Calcium Carbonate (471-34-1)**

Bioaccumulative potential: Not established.

### 12.4. Mobility in soil

No additional information available.

### 12.5. Other adverse effects

Other information: No data available.

### SECTION 13: Disposal considerations

#### 13.1. Waste treatment methods

Waste disposal recommendations: Dispose in a safe manner in accordance with local/state/national regulations.

Ecology - waste materials:
- Avoid release to the environment.
- The product is a naturally occurring substance, not expected to be harmful to aquatic organisms.
- Do not allow fine particulate matter to drain into sewers/water supplies as it may clog or impede sewage systems.
- Discharging excessive limestone dust and fines into waterways may increase total suspended particulate (TSP) levels that can be harmful to certain aquatic organisms.

### SECTION 14: Transport information

In accordance with DOT:

No dangerous good in sense of transport regulations.

**Additional information**

Other information: No supplementary information available.

**ADR**

Transport document description:

**Transport by sea**

No additional information available.

**Air transport**

No additional information available.

### SECTION 15: Regulatory information

#### 15.1. US Federal regulations

**Calcium Carbonate (471-34-1)**

Listed on the United States TSCA (Toxic Substances Control Act) inventory.

#### 15.2. International

**Regulations CANADA**

**Calcium Carbonate (471-34-1)**

WHMIS Classification: Uncontrolled product according to WHMIS classification criteria.

**EU-Regulations**

No additional information available.

**Classification according to Regulation (EC) No. 1272/2008 [CLP]**

Not classified.

**Classification according to Directive 67/548/EEC or 1999/45/EC**

Not classified.
